The Association for the Study and Preservation of Roman Mosaics

Grants for UK Museums or Sites with Ancient Mosaics

Terms and conditions

- (1) Grants up to a maximum value of £500 are available, as and when the Association's funds permit, to support UK museums or sites with the costs of one-off or ongoing projects relating to the presentation, conservation or study of ancient mosaics.
- (2) Applicants can be the owner or director of the museum or site, an organisation that supports the work of the museum or site, or an individual acting on behalf of a museum or site.
- (3) Applications for retrospective funding will not be eligible. Successful applicants will be awarded grants prior to the proposed expenditure and will be required to submit receipts for reimbursement afterwards. It is expected that grants will normally be spent within a year of their award.
- (4) Applicants must apply to the Honorary Secretary by the deadline, using the application form below.
- (5) Successful applicants will be expected to submit a short illustrated report on the use of the grant, suitable for publication in the journal *Mosaic* or the ASPROM Newsletter, or an agreed alternative such as a talk at one of ASPROM's symposia. An acknowledgment of the financial contribution from ASPROM should also be publicly displayed as appropriate.
- (6) Awards are made twice per year. Applications will be considered by a sub-committee which will make recommendations to the spring and autumn meetings of the ASPROM Executive Committee. The deadlines for applications are **31 January** for consideration in March, and **31 August** for the October meeting. Successful candidates will be notified as soon as possible after that.

Please send completed application forms via email to the Honorary Secretary, Dr Marjorie Mackintosh, at honsec@asprom.org.
